

- - - that's the area I'm trying to work out? ---But you wouldn't have us in that picture. OK, OK. **The right-hand side of that. OK. And there was no shots fired in that no bullet holes in the fence there, is there?** ---I can't see that close to that fence in this photo. *But there was no - you would've noticed that, you know, you would've heard, you would've seen (indistinct), you know. Anything - see any of that?* ---I saw three shots fired. OK, *so you were peeking over the fence maybe or had - - - ?*---Nuh. I was looking at a monitor.<sup>11</sup>.

**POLICE S.O.G. OPERATOR (55) EVIDENCE 265 L16-28.**

OK. *And shots - if I take you to p.63 or Photo 63?* ---Yes.

*Is that - it looks like a police officer pointing at a hole or something, a bullet hole that - - - ?*---Yes.

- - - *seems to be on the side of the location where you were, yes?* ---Yes.

**And that, I think, went through and then - and embedded itself in the sound barrier on Keilor Park Drive?** ---I couldn't tell you.

*After shots were fired in that direction, they closed down the traffic, I think?* ---Yes they did.<sup>11</sup>.

ACCUSED: Yes, yes, yes, yes. Sorry. Sorry. Can I just pause for a moment.

Earlier on, that projectile going through the fence and he says in his statement that he actually went to - actually it's p.2, the first paragraph.

HER HONOUR: Yes.

ACCUSED: **You say that you went to inspect it. You see - noticed the bullet hole and you done like a line thing sort of thing and you see that it's penetrated the sound barrier but did you see where the projectile landed? Did it just land at the foot of the other side of the barrier?** ---No, I didn't.

OK. I'll get to that. I think that comes up. All right, so if we could just go to the court - Photo Folio F page - I mean Photo 89? ---Yes.

**Was there any other holes, bullet holes in that area, in that region?** ---From what I recall, **I only remember seeing one in the sound barrier.**

**And that's the one you - you done the - like, retraced its line of trajectory?** ---Yes.

**That's the one we're talking about here, appears - it would appear to be?** ---It

Would appear so.<sup>11</sup>
