Re. - County Court Directions hearing 23rd August 2018. C1-11-00426.

The following issues of contention, are grave and of utmost concern to the proper administration of Justice and in holding and preserving the integrity of the Courts.

With respect, I wish to appraise you of the following grave matters before I proceed to undertake next step in lodging a formal complaint with I.B.A.C to **investigate further**

I have enclosed a (13x) paged Affidavit in relation to this official complaint lodged.

I also respectfully ask for your assistance in accessing “all tape recordings”
Relating to **C1-11-00426. In which His Honour Justice Saccardo proceeded over**
on a disc, given many discussions held on issue.

Thank you for your assistance.

C/o - Olearia Unit, Unit (3).

Attention. Criminal Law Policy Unit. **Director Ms Mary Maddison.**

C/O- Director of Criminal Law Policy, Department of Justice & Regulation, Level 24,
121 Exhibition St, Melbourne 3000. Victoria. DX210077.

To Ms Mary Maddison,

Re- Petition of Mercy in case of. *Binse Vs The Queen VSCA 145. (22 June 2016). Decision.*

The outcome of the state election was “**a breath of fresh air to me**”, with the news of the transition of **Attorney General Ms Jill Hennessey now holding this portfolio.**

Given her greater appreciation, understanding, and empathy to P.T.S.D. sufferers.

This I welcome into the fold, I have in the past alluded to a deep profound miss trust and trepidation of those in Government ranks, this clearly validated in recent times in the Judge of the County Court Justice Saccardo & Government Solicitor Ms Coombs.

So now you can begin to understand and appreciation my super sensitive paranoia of those in dealing with my legal situations in deciding my future re. - Petition of Mercy.

In measures and safe guards & precautions undertaken by me in the process qualified.

I have enclosed a copy of Affidavit in relation to my current civil case **C1-11-00426.** (13x) pages in total, and that is the condensed summary of facts in the heinous matter.

To illustrate this point of contention and perceived beliefs of systemic conduct by all.

Sincerely
Christopher Dean Pecotic/Binse/**Inmate 43517**
