

19 September 2013. To Barwon IT Mr EARL,

**This is all trial & error for me!!!!**

**Yet a worthwhile invaluable arduous brain racking challenging experience indeed.**

**I swear I could have SCREAMED!!, when told there was 'another setback-issue' with legal videos EXCEEDING the 16GB U.S.B maximum capacity, as 'I tailored everything to just come under this'.**

**When told otherwise, was VERY HARD TO ACCEPT, I literally had to walk away from staff, to assess, regroup, 'OVERCOME' & 'execute the issue' in question.**

**The obvious, was to order a new batch of bigger 32GB U.S. B's, yet this would take at least a week to arrive, this I CAN NOT accede to PERIOD!**

**Defeats the whole purpose of up at 3.a.m. every morning 7 days pr week to meet & beat the DEADLINE before X-mas break Courts closing down, I 'want it listed & filed & start the proceedings 'this year'. And there is a bit to do before that get to that point with the find of K.C legal advocates**

**So, I had, reduced the last video slide being:**

**11. Charge 4. Indictment C11434997.4, Atak charges. (Which is 2.17GB). in size.**

**As an alternative to fit the 16GB U.S.B, coming under the 14.9 GB maximum ability to hold & store.**

**This erodes the quality of view, & I am not about to compromise the visual settings for this really.**

**NEXT OPTION:**

**To burn 11. Charge 4. Indictment C11434997.4, Atak charges. (Which is 2.17GB). in size.**

**Separately on a Disc, this will best the best & easiest solution in resolving this problematic issue.**

**Which meant, I had to re-do all the correspondence to those intended parties, explaining this, scanned, which NOW needs to be included & replaced with the previous file, now amended.**

**So, there will be a total of (8x) copies made of-**

**11. Charge 4. Indictment C11434997.4, Atak charges. (Which is 2.17GB). in size.**

**(7x) from one file, (1x) from my personal Cruzei file- This 'is the larger of the two files' being 15.9GB.**

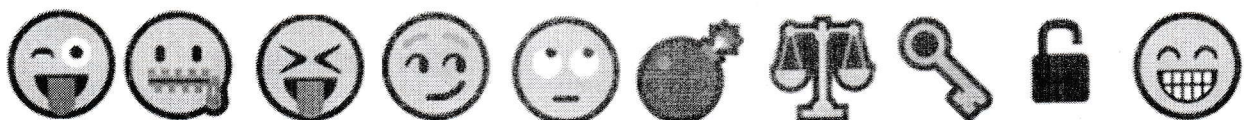

**Which means, I will need U.S.B hard drive 'returned' it will only take literally (1x) minute to upload**

**I can add this last piece myself, in your presence with EVERYTHING THING ELSE PROCESSED BY THEN**

**I REALLY WANT TO PUT IT IN THE OUTGOING POST TODAY PLEASE, ONCE ITS IN MAIL I CAN RELAX!**

**Thank you for your time & assistance in handling this last stage of the 'NEVER ENDING STORY!'**

**King Regards Chris**
