

Christopher Dean Pecotic/Binse 43517

C/o- Barwon H. M. Prison. Locked bag 7, Lara 3212.

18<sup>th</sup> April 2022.

**'Mrs Vicki Ryan' 'General Manager, Major Offenders Unit' Corrections Victoria.**  
C/o-Level 22/ 121 Exhibition Street Melbourne 3001.

**To Vicki Ryan,**

**Re. – previous mail dated 7<sup>th</sup> January 2022, 26<sup>th</sup> March 2022 & 13<sup>th</sup> May 22.**

**ALL un-replied to sadly!**

**This highly contentious issue was again brought to your attention in 'your presence placed with far greater emphasise' during my annual Major Offender meeting held on Thursday 30<sup>th</sup> of March 2023 Melaleuca Unit Barwon Prison, Lara Victoria.**

**Further copies were provided to you, for your attention, on this matter.**

**I did indicate to you, if you continue to stone wall me, in deliberate obstruction of justice, in denying me the ability to present factual evidence & materials before the Supreme Courts of Victoria, pivotal to my submissions, I would indeed subpoena you to achieve this point.**

**I am at tail end of my preparations now, I can always return to the particular group of issues unable to complete due to you, 'this critical key point(s) absent' which I rely upon you to provide me with, once I file Appeal. You are not slowing me down; I work around you 4 now.**

**When I have a court file number, to attach disclosure requests, be sure your names on it!**

**You can work with me, or against me, regardless, this will be accurately reflected in the future presentation in any proposed Net flix story on 'battles I had in the many Injustices faced', with the 'upper echelon of the Corrective services' 'working to cover up the well-established case of an Miscarriage of justice', in being prevented from being truly exposed!**

**My life is very colourful, with plenty of character, battles, both legal & physical, this has all the elements of a Real-life true crime best seller, how do you want to be portrayed, your call**

**I record & document EVERYTHING keeping it all real, honest & confronting to the reader.**

**I have in past put pen to paper exposing those that deserved to be seen for who they were.**

**Additionally,**

**It was also raised in the presence of Ms Jenny Hoskins, Deputy Corrections Commissioner of corrections Victoria, on the same day in question, my further request, in mail sent to her being-11<sup>th</sup> January 2022,26<sup>th</sup> March 2022, 13<sup>th</sup> May 2022 & 22<sup>nd</sup> June 2022 be addressed.**

**(Ms Hoskins did assign this other highly contentious issue over to you now, to address).**

**Further copies were provided to you, for your attention, on this separate matter.**

**Both matters are well recorded on the 2B sheets minutes of hearing, I would hope & assume.**

**I look forward to your assistance in providing me with this crucial material, thank you**

**Sincerely Christopher Dean Pecotic/Binse 43517.**
